License Verification and Practitioner Profile Website
Authorized to be reinstated for Temporary Approval to Work

For the purposes of preparing for, responding to, and mitigating a public health emergency the Department of Health (DOH) will temporarily reactivate unencumbered inactive licensed health care practitioners as provided for in s. 381.00315(1)(c)3., Florida Statutes. An inactive license that is reactivated under this paragraph shall return to inactive status when the public health emergency ends or before the end of the public health emergency if the State Health Officer determines that the health care practitioner is no longer needed to provide services during the public health emergency.

Health Care Practitioners that have successfully reactivate their license for emergency duty at MQA Online Services Portal located at https://mqaonline.doh.state.fl.us/datamart/voservicesportal/ and complete the Licensure update required will have their license record on the License Verification and Practitioner Profile websites updated to reflect this temporary status. The websites are located at https://appsmqa.doh.state.fl.us/MQASearchServices/Home

An example of how to apply for this this will appear online is shown in the screen shots below.

Request to remove "Public Health Emergency Active" status from the website

If a Health Care Practitioner does not want the "Public Health Emergency Active" status indicator to appear on the MQA License Verification and Practitioner Profile websites at https://appsmqa.doh.state.fl.us/MQASearchServices/Home, prior to the 90 day expiration, they will need to contact Licensure Support Services to indicate that they have opted out. The request must be made in writing or email to:

Email:

MQAOnlineService@flhealth.gov
or
Mail:

Department of Health
Division of Medical Quality Assurance
Licensing Support Services
4052 Bald Cypress Way
Bin# C10
Tallahassee, FL 32399-3260

Additional instructions for submitting a request via mail or email:

- Include name and mailing address
- Include license number and profession
- Your request to opt out of "Public Health Emergency Active" so that the MQA websites will not display this indicator.

Other Important Information:

- This request will only remove "Public Health Emergency Active" indicator from the MQA websites located at https://appsmqa.doh.state.fl.us/MQASearchServices/Home .
- Your information will still be contained in the data file on the MQA Health Care Practitioner Data Portal that lists all Health Care Practitioners. This website is located at https://
