Updated Format for the Health Care Provider Telephone Conference Call for Coronavirus Disease 2019 (COVID-19)

April 24, 2020

Updated Format for the Weekly Health Care Provider Telephone Conference Call

To address all the questions from health care providers around the state, the Department of Health has instituted a new format for the weekly health care provider telephone conference call. Participants are asked to email questions in advance to Provider.COVID19@flhealth.gov no later than close of business on the Monday preceding the call. All participants will be muted during these calls to help streamline information delivery. The State Surgeon General, Dr. Scott Rivkees, in collaboration with Secretary Mary Mayhew from the Agency for Health Care Administration, will provide updates from the Department of Health on the COVID-19 pandemic response efforts, provide a briefing from the Agency for Health Care Administration, offer updates from other state agencies and address questions submitted from our health care providers. If you are interested in joining this weekly telephone conference call, please see the call-in information below:

Date: Every Tuesday
