

# **VALOR Application**

## Electronic Fingerprinting Requirements

**Electronic Fingerprinting** (*ONLY for Medical Doctors, Osteopathic Physicians, Chiropractic Physicians, Podiatric Physicians, Orthotists, Prosthetists & Pedorthists, Nurses, Certified Nursing Assistants, Massage Therapists, Physician Assistants, Anesthesiologist Assistants, Advanced Practice Registered Nurse and Athletic Trainers*).

Background screening results are obtained from the Florida Department of Law Enforcement (FDLE) and the Federal Bureau of Investigation (FBI) by submitting to a fingerprint scan using the Livescan method;

You can find a Livescan service provider [here.](#):

Failure to submit background screening will delay your application;

Applicants may use any Livescan service provider approved by the FDLE to submit their background screening to the department;

If you do not provide the correct Originating Agency Identification (ORI) number to the Livescan service provider the Board office will not receive your background screening results;

You must provide accurate demographic information to the Livescan service provider at the time your fingerprints are taken, **including your Social Security number (SSN)**;

Typically background screening results submitted through a Livescan service provider is received by the Board within 24-72 hours of being processed.

If you obtain your Livescan from a service provider who does not capture your photo you may be required to be reprinted by another agency in the future.
