On Friday, February 26, 2021, Governor Ron DeSantis announced Florida will receive four Federal Emergency Management Agency (FEMA) COVID-19 vaccination sites, which will begin vaccinations on March 3, 2021.

The Orange County FEMA site will be operational from 7am until 7pm, seven days per week and is anticipated to vaccinate up to 3,000 individuals per day. The site has the ability to administer vaccinations without appointments. Health care personnel in Orange county with direct patient contact who seek COVID-19 vaccination are encouraged to visit the location at:
